Ready for IT

The must attend event for IT decision-makers

17.05.2021 > 19.05.2021

MONACO

The image features a dark blue horizontal band in the center containing the text "Focus on the 2019 edition". Above and below this band are decorative borders composed of overlapping, semi-circular and triangular shapes in various colors including yellow, orange, teal, light blue, and green. The overall design is modern and vibrant.

DISTRIBUTION BY JOB TITLE

DISTRIBUTION BY ACTIVITY SECTOR

2019 edition: testimonials

« Accelerating meetings depending on the project or to mature on reflections. »

Innovation & Operational Model Manager
LA BANQUE POSTALE

« Very interesting meetings. I particularly appreciated being able to interact with providers of a substantial size, whom I would not have been able to meet in my daily activities. »

CIO
VILLE DE SENLIS

« The major advantage of this formula is to speed up our decision-making. Contacts are direct and professional. »

CIO
CCI BASTIA

« One-to-one meetings were very relevant. The contacts made will very probably lead to new collaboration. »

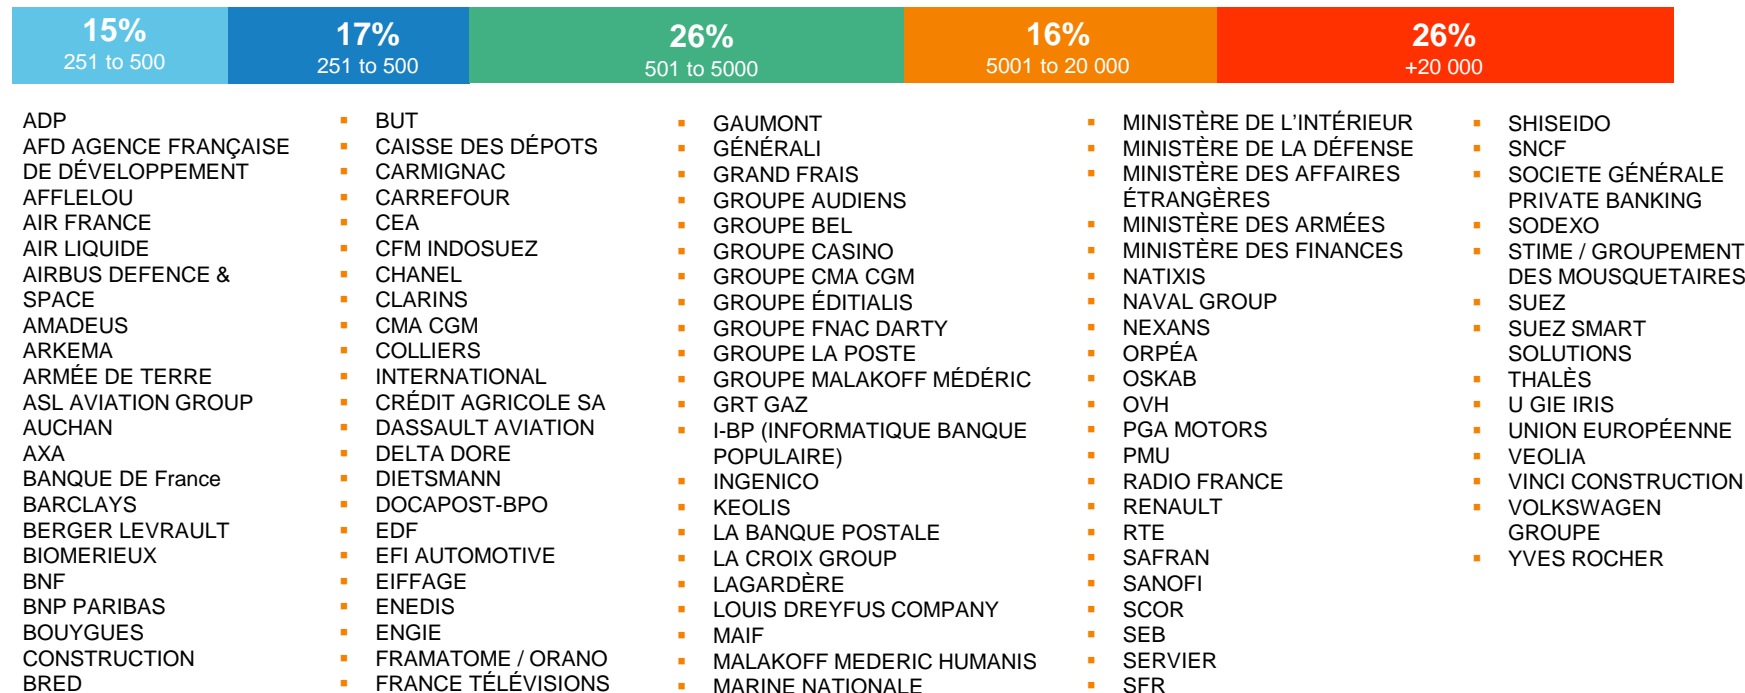

Head of mobility service
ENEDIS ENERGIE

« The event is a great success. Lots of very interesting topics were discussed. Strong contacts have been established. »

Head of digital & innovation
CRÉDIT AGRICOLE ALPES PROVENCE
